Tables of Eight 2009

MFC in the community – Perrysburg Global Summit

VISION

Drawing together diverse faiths, in mutual respect, friendship, cooperation and service.

The MFC is not an alternative religion, nor does it seek to have all faith walks become identical. Our orientation is primarily spiritual, not political. MFC welcomes all who share its vision of peace for all, who subscribe to its covenant and who refrain from proselytizing during its activities.

We believe that Toledo and NW Ohio can serve as a model of harmony and acceptance in a troubled world.
