More than 37 million people – adults, hard working families with children and seniors are living on the brink of hunger in every community across the United States.

In September, communities nationwide will remember the millions of people suffering from hunger or food insecurity by recognizing Hunger Action Month. Hunger Action Month is a time for everyone in the United States to unite in support of ending hunger--one of the most solvable social issues in this country.

You can do your part by finding thirty ways to fight hunger in the thirty days of September. Attend the Interfaith Service, donate produce, fill your Scouting for Food bag, watch *30 Days on Minimum Wage*, volunteer to teach children about hunger, organize a food drive at your place of work, or chose to fight hunger in your own unique way!

You can be a part of the solution to end hunger by participating in the Fourth Annual Interfaith Hunger Awareness Service: "Give a Little, Feed a Lot", on September 24, 2009, 7:00 p.m. at Our Lady of Lourdes Church on Hill Ave. A Toledo Northwestern Ohio Food Bank truck will be onsite to accept your free will offering/ donation of non-perishable food and personal care items. For suggested donation items and to learn more about the Interfaith Service, please visit our website [www.toledofoodbank.org](http://www.toledofoodbank.org).
