Dear Parent,

Your children are invited to participate in Unity Day for Kids, an Erase the Hate program which is taking place on Sunday, October 18, 2009 from 1-4 PM @ Grace Lutheran Church 4441 Monroe St. Unity day is about promoting acceptance via positive communication, learning, working and sharing together in harmony and peace. Kids from ages 7-12 will make posters illustrating their understanding of unity, diversity, cooperation, and peace amongst people of all faiths.

We would like to take pictures of your son/daughter and display them during the Interfaith Blood Drive Weekend and at the Multifaith Banquet. We look forward to having your children represent their faith. Please sign the slip below giving us permission to take and display your child's picture. At around 3:30 the children will have cheese pizza, fruit, brownies and punch. You are cordially invited to partake in refreshments and socialize with other parents from diverse faiths.
